

AGRICULTURAL MECHANICS SAFETY AGREEMENT

This safety agreement form must be signed and returned to instructor.

_____ High School

As part of this class experience, this student will be required to perform tasks in the ag mechanics lab. Tasks will include welding, cutting and using power tools. Students will not be allowed in the shop without proper permission from parent or guardian.

Each student will receive proper instruction to safely operate the equipment. They should not use any equipment which they have not received proper instruction.

Each student must:

- A. Follow all safety rules for the shop.
- B. Report any injuries or accidents to the instructor immediately.
- C. Wear appropriate clothes for the shop.
- D. Avoid horseplay at all times.
- E. Use all equipment in a safe manner.
- F. Not use any equipment until properly trained.

I, _____, as a student in this class agree to follow all safety guidelines.
