RE: 2009 Northwest District Junior Livestock Show
Dates: February 27-March 3, 2008

Dear NWDJLS Participants, Ag Teachers, and Extension Agents,

Recently the general committee of the 75th Annual NWDJLS voted on some changes for the upcoming show and I wanted you to be informed of the recent decisions. For the 2009 show, the following changes are in effect:

- The “females” will show separately from the “males” and each specie will be allowed to sell two females (8 total females in the premium sale)
- The market animal show will be “male only” and those animals will be eligible for the premium sale based on the following:
 - 80 total market animals will sell
 - Each specie is guaranteed 15 animals in the sale with the balance prorated.
- Schedule: we are evaluating the schedule for changes. More information to follow.

Please contact me if you have any questions. Enjoy your summer and we look forward to seeing you at the 2009 show!

Sincerely,

Lisa Donaldson
General Superintendent
